# INTERHYDRO, la solution-produit à toutes vos exigences.

Spécialiste de la fourniture d'équipements destinés à l'adduction d'eau, à l'irrigation et aux barrages INTERHYDRO s'efforce d'élargir sans cesse sa gamme afin de répondre au mieux à la demande dans tous les domaines de l'eau.

Aujourd'hui, INTERHYDRO est présent dans plus de 40 pays. Les tubes, la régulation, la protection et le sectionnement des conduites (répondant aux normes internationales) acheminés chaque jour à l'étranger contribuent au développement des pays et apportent confort aux populations.

Cette marque de confiance est due :

- à l'expertise,
- à la qualité et la fiabilité des produits,
- à la souplesse de l'organisation,
- à la largeur de gamme proposée :
  - des diamètres de 15 à 3200 mm
  - des pressions de PN 10 à PN 100
- aux choix des matériaux : acier, PVC, fonte, PEHD...

- BRANCHEMENT
- COMPTAGE
- SECTIONNEMENT
- PROTECTION ET RÉGULATION
- IRRIGATION
- ASSAINISSEMENT
- BARRAGE
- INCENDIE
- POMPAGE
- RACCORDEMENT

Quels que soient vos besoins dans le domaine de l'eau, INTERHYDRO apporte une réponse fiable.

## INTERHYDRO, a product range meeting all your needs.

INTERHYDRO makes equipment for the water mains, irrigation and dams. INTERHYDRO continually extends the range to meet demand in every aspect of water use. INTERHYDRO is active in more than 40 countries. The pipes, regulation, protection and section control systems (meeting international standards) which are shipped every day contribute to the development of the countries concerned and raise the standards of living of their populations.

The INTERHYDRO's success and the loyalty of its customers is due to :

- the expertise,
- the quality and reliability of the products,
- the flexibility of the organization,
- the very large product range supplied :
  - diameters from 15 to 3200 mm
  - pressures from NP 10 to NP 100
- the choice of materials : steel, U-PVC, ductile iron, HDPE...

- SERVICE CONNECTION
- WATER MEASUREMENT AND CONTROL
- STOP VALVES
- PROTECTION AND PIPES REGULATION
- IRRIGATION
- SEWAGE EQUIPMENT
- DAM EQUIPMENT
- FIRE PROTECTION
- PUMPING
- CONNECTING

Whatever you need for water, INTERHYDRO is a reliable supplier.

 Des diamètres de 15 à 3200 mm  
Diameter 15 mm up to 3200 mm.

 Des pressions de PN 10 à PN 100  
Pressure from NP 10 to NP 100 bars.
